

# GATEWAY TRANSLATION

## HOPE AND TRANSFORMATION THROUGH GOD'S WORD.

Biblica has a three-year strategy to **provide God's Word in 80 of the world's top 100 spoken languages** and **accelerate 50 first-language translations**.

By investing in translating the Bible into the world's top 100 languages, the "gateway" is opened to even more translations reaching millions around the globe. Join us through one of these critical translation projects to see more people reached with the words of life. **Each project includes the translation work, an audio and digital version, plus a first printing along with a publishing launch event for ministry partners.**

With your investment, we move closer to the goal of giving **100 percent of the planet's population access to God's Word** in the language that speaks to their heart so that together, with our partners at *illumiNations*, we can **end Bible poverty by the year 2033**.

Biblica is actively working on 41 translations and completing five in 2021 that represent more than 5.2 billion people.

**Biblica is committed to the free, unrestricted sharing of God's Word to help ensure all the world has the Scriptures. We need you to go ALL IN, ALL TOGETHER.**

"The Gospel isn't good news if it doesn't get there in time."

- **PASTOR RICK WARREN**, SADDLEBACK CHURCH

THERE ARE STILL 3,800  
LANGUAGES, REPRESENTING  
MORE THAN 700 MILLION  
PEOPLE, WITHOUT A  
TRANSLATION OF THE BIBLE

Biblica is committed to the free,  
unrestricted sharing of God's  
Word to help ensure all the world  
has the Scriptures. We need you to  
go **ALL IN, ALL TOGETHER**.

**GOAL**  
**\$2.9**  
**MILLION**

**ALL IN, ALL TOGETHER** is a bold three-year, \$100 million initiative to reach men, women, and children across the globe who are longing for God's Word in the language they think and dream in. You're invited to join with us as we harness new technologies and new partnerships to release the transformative power of God's Word to the world!

# WILL YOU GO ALL IN, ALL TOGETHER WITH US?
